POLICIES

DISCOVER DANCE

This non-recital class is intended for 2-3 year old children who are ready to be in a classroom environment. This means they must be able to follow verbal directions and be willing to participate in structured classroom activities. One Adult/Parent/Guardian is required to participate with their child. We work on motor skills and begin to introduce basic dance steps.

COMBO CLASSES

These recital classes for 3-5 year olds offer multiple styles and are a good choice for young dancers who wish to experience a variety of dance forms while learning coordination and motor skills. Two recital dances will be performed.

BALLET or TAP CLASSES

These recital classes for 3-5 year olds focus on one style of dance while learning coordination and motor skills. One recital dance will be performed.
