

IMPORTANT INSTRUCTIONS FOR PHOTOGRAPHS -- Please Read Thoroughly....

GROUP & INDIVIDUAL PHOTOGRAPH & ORDERING DATE:

April 29th - May 4th 2019 – See Typed Schedule at Dancing Feats

Dancing Feats has once again invited **Photographic Visions** to be your dance portrait photographers. Photographic Visions photographs other dance studios in our area, and has a reputation for providing quality dance portraits.

***New for 2019* Many prices have decreased.** In an effort to decrease prices, your photos will not be delivered in the black easel folders that we normally use.

Individual and group portraits will be taken during your class time. Arriving early insures you will not miss the group photograph. **In order to best serve each child, individual photographs will be taken on a prepaid basis only.**

Orders must be placed when the child is photographed. One order form per costume, per child. Order forms are available at the studio starting mid-April, on the Dancing Feats website, or on the day of photographs.

The order form must be filled out with payment prior to the photograph being taken.

To order multiple groups, you can use one order form if you write a list of groups needed on the back of the form.

Please have hair and makeup finished at home before coming to the dance school. All stray hairs should be pinned and sprayed so that they do not show in the photographs. Tights must be clean. Costumes should be complete with all pieces. Changing space is limited, so come in costume. Remove marker and temporary tattoos from skin.

Photographers will do their best to **select a pose** which flatters, not only the dancer, but also the costume. Specific requests should be addressed with the teacher or photographer prior to the student's photograph. Look at your previous year's photos so that poses are not repeated.

No one except Photographic Visions and the dance instructors are allowed in the photo room. Parents and siblings must remain in the hallway. There is not enough space available for parents or siblings.

Backgrounds are reserved for the photographers' use and cannot be used for your own personal photographs.

Packages are specially priced for quantity on a **single pose**. **Packages cannot be split among two or more poses, costumes, or children.** There is one special package that is meant for 4 costumes with groups. A package is available that offers both a close-up and full length pose for the same dancer in the same costume. You may write one check for multiple order forms (indicate the number of forms in the appropriate box on the order). **It is important that all information is filled out properly to ensure that you receive the correct photographic items.**

Beautiful photographic **specialty items** are available, in addition to photograph packages.

Orders must be **PAID IN FULL on the day of photographs.**

Bring EXACT CASH.

CHECKS are made payable to **Photographic Visions.**

Orders totaling \$100.00 or more can be charged, if desired, by using a visa or mastercard.

Returned checks will be subject to a \$30.00 service charge.

Orders will be available for delivery at recital. Shipping to your home will also be available for \$ 5.00.

ORDERS MUST BE PICKED UP FROM DANCING FEATS BY RECITAL.

If you cannot meet this deadline, you must choose shipping!

Statuettes will be shipped directly to your home in July.

SPECIAL INSTRUCTIONS TO EYEGLOSS WEARERS To avoid eyeglass glare and distortion on your photographs, you may choose not to wear your glasses or bring an empty pair of frames.

Any adjustments to your order must be settled with Photographic Visions by August 1, 2019.

After this date, neither Photographic Visions nor Dancing Feats will be responsible for any corrections.
